RAY AFTER THE COLONELS.

Austin Manager Wants the Louisvilles to Train in Texas. St. Louis Sporting News.

Louisville team is a good one and should set a hot pace this season. The pitching staff has been greatly strengthened, with the addition of Woods and Phillips, and of Waddell is a comer. We are negotiating and to have the Colonels train at Austin this dis-spring, and I think we offer far superior advantages to Thomasville or Asheville. I have just signed a battery for my Austin leam
Jack Grim of Cincinnati, who brought out

Bill Hill and Wiley Davis in '95 and who was with Indianapolis the following sea-son, will do most of the backstop work for the Texas Senators.

Creed Bates has signed his contract with Creed Bates has signed his contract with Tebeau's team. Bates is getting in shape in Dayton, Ohio. "Red" Gilligan of Wheel-ing, W. Va., will play either shortstop or third base for the Austin, Texas, team the

coming season.

Austin has signed Callahan, the nitcher

Austin has signed Callahan, the nitcher who was with the Browns last season and expects to land two more National league twirlers. They will try young Millette of Morris, Ill., who defeated all the crack minor league teams last summer, winning thirty-three games. Callahan pitched for Denison in '95-96. I have my team about complete and will only carry eleven men hesides myself.

Richardson, with Galveston last season, will play first base and help Grim behind the bat. Richardson was on trial with Louisvillo one season and is a heavy hitter. "Red" Gilligan, of last season's Himingham team, will play third buse. He is another reliable batter and an excellent infielder. O. L. Conn. our second baseman, was with San Antonio last season and made five hits off Breitenste'n in a game azainst the Cincinnati Reds last March. I will look after left field.

Brady, with Montsomery. Ala., last season and with Springheld, Ohio, and Zaneaville in '97, will play center field, and Joe Cavanaugh, also with Springfield and Zanesville in '97, will play center field, and utility man. He is also a good southpaw nitcher and an excellent third bateman, but for his left hand throwing.

Hedry Longley of Austin will el'er play an outfield position or shortstop. Freeman, the youngster, will be tried out at shortstop.
